REMARKS

The Office Action (O/A) dated (mailed) August 19, 2003, has been carefully considered and Examiner's assistance, in citing certain errors in the application, is appreciated.

It is believed that this Amendment now places the application in condition for allowance which action is earnestly solicited.

Applicant herewith files a "Request for One Month Extension of Time to Respond" to said O/A and herewith encloses attorney's check #12064 in the amount of \$55.00 payable to the Commissioner for Patents.

Respectfully submitted,
